

WHAT YOUR COVID-19 TEST RESULTS MEAN

If your test is positive, you have COVID-19.

Stay home and away from others, even if you do not feel sick.

Rest and drink lots of water.

Call 911 if it gets hard to breathe or your symptoms get worse.

If your test is negative, you do not have COVID-19.

If you were near someone with COVID-19, stay home and away from others. It can take up to 14 days to become sick.

Wash your hands a lot

Wear a mask

Stay 6 feet away from people you do not live with.

Stay away from large gatherings
