

### **Mall of America Mystery Points Passes**

The Mall of America and Minnesota Department of Health are offering Nickelodeon Universe Tickets to individuals who get their Covid-19 shot at the Mall of America! We are encouraging Minnesota families to get their children 5-11 years old fully vaccinated against COVID-19 and need your help reaching as many MN kids as possible.

Getting as many eligible Minnesotans vaccinated and boosted as possible is critical to helping curb the spread of COVID-19 and keep Minnesota families safe. Vaccines help keep kids safe from severe illness and hospitalization. It's easy and convenient to get the shots your family needs through [the community vaccination site at Bloomington's Mall of America](#). It is open weekly, Wednesday through Friday 1–8 p.m., and Saturday 9 a.m. – 4 p.m. This location has Pfizer vaccines for 5- to 11-year-olds; Pfizer vaccines for people 12 and older; and Pfizer boosters for people 12 and older. Appointments are encouraged, but walk-ins are also welcome.
