

Transcript for MDH Vaccination Commercial 2

Listen up parents, I'm here to talk about something super important.

COVID-19! Now, I know we'd all like to leave COVID in the past, but it's still here.

And if it's still here and you want to keep your kids safe, healthy and at school instead of home with you, you got to get us vaccinated.

So here's some facts about facts to make it easier for you.

COVID-19 vaccines are recommended for all of us starting at six months old.

Vaccines are super safe and come with few side effects.

And the best part folks, most vaccines are free and you don't need insurance.

Visit [Mn.gov/vaxforkids](https://mn.gov/vaxforkids) to find out how when and where to get your kiddos fixed easy.

Peasy, lemon squeezy. Thank you. That's all for this episode of fast attack.

Y'all be safe out.
